How Do I Apply?

- Apply online (www.mandela.ac.za) - you will need a valid **e-mail** account + a reliable **cell phone** number.
- Online applications **OPEN** in **May** and remember to complete both **Part 1 & Part 2**.
- There is **NO** application fee for SA citizens.
- Ensure that you **meet** the minimum Applicant Score (AS) and subject requirements before submitting **your completed application form** and **supporting documentation**.

Important documentation

You need to submit the following:

1. Certified copy of your **ID**.
2. Certified copy of your **latest school results** (Grade 11 final, **or** Grade 12 June/September results, **or** final school leaving certificate).
3. **Declaration** by your parent / legal guardian / surety **form** (form downloaded from the University website);

5. **Proof of** your current residential / home or postal **address**

NB: Your application form will be delayed if you **DO NOT** include all your supporting docs with your application form.

How to calculate your Applicant Score (AS)

- YOUR **Applicant Score (AS)** will be different if you took **Maths, Maths Literacy** or **Technical Maths** at school.
- Your Applicant Score (AS) is calculated using **six** 20-credit NSC subjects.
- Life Orientation (LO) is excluded as it is a 10-credit NSC subject .
- You MUST include the % obtained for the following **3 fundamental subjects**: **1)** Home language; **2)** 1st Add. Language; and **3)** Maths; or Maths Lit; or Technical Maths.

- **If you have 8 or more subjects:**

Add the % obtained in your **3 fundamental subjects** (2 languages + Maths, **or** Maths Lit, **or** Tech Maths), **plus** the % for any subject(s) required, together with the % for your next highest subject(s), to a maximum of six subjects.

- Applicants from a **quintile 1, 2 or 3 school** who attain 50% or higher for Life Orientation (LO) - 7 points are added to their AS score out of 600 to arrive at their final score.

All SA public ordinary schools are categorised into five groups, called quintiles. Quintile 1 to 3 are non-fee paying schools, while Quintile 4 & 5 are fee paying schools.

NSC Subject	Applicant 1 Applicant 1 who has 7 NSC Gr 12 subjects, who is applying for a qualification with Life Science and Physical Science as required subjects		Applicant 2 Applicant 2 who is applying for the same programme, but who is from a quintile 1, 2 or 3 school.		Applicant 3 Applicant 2 who is applying for the same programme, but who took 8 subjects in Grade 12

FINANCIAL AID/UADS

Sit Dolor Amet

NSFAS applications for a following year are opened in the existing year in September and closes on the 30th November of that same particular year.

If the student misses this process, it is not on the hands of institutional financial aid nor UADS departments to seek finances for that particular student.

It is always advisable that the student get to the nearest NYDA or any institution nearer, to get further guidance and assistance thereof. All possible prospective applicants are advised to logon NSFAS website www.nsfas.org.za.

They can download the ANNEXURES on line take it for assessment from the medical practitioners of their choice, scan and submit online with other documents as set by NSFAS for their applications.

They can then forward a copy to the UADS department of the institution they intend to further their studies to. Assessment of devices, including scribes and etc will be done by this department.

UADS inline with the financial aid will scan these documents and upload with registration template to the NSFAS office. That process is regarded as a claim. NSFAS will pay the university this claim accordingly.

Once these funds are received by the financial aid they get distributed in form of allocations against the student's financial statement.

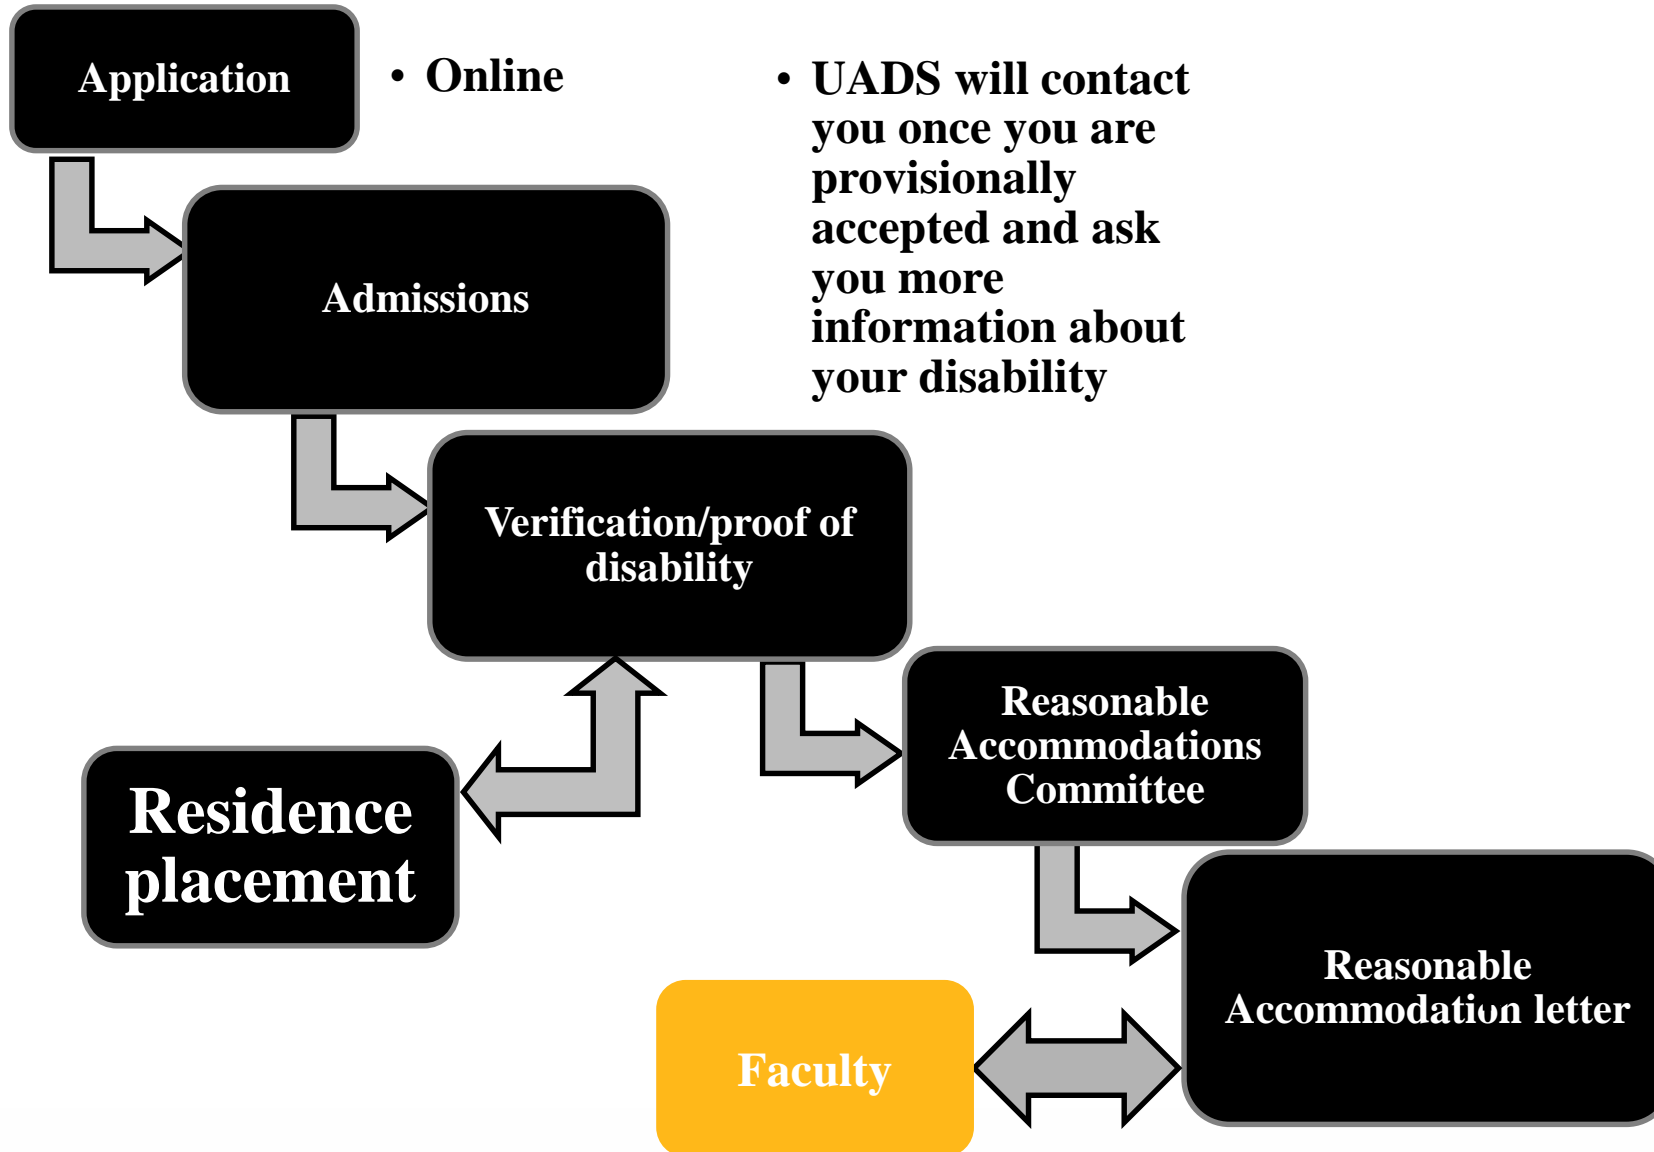

Institutional policies are taken into consideration in this process and comply to therefore by financial aid as well as UADS department.
